### Goa Human Rights Commission

Proceeding No. 141/2015

### Inquiry Report

A short question for determination in this case is whether the police personnel deployed for Legislative Assembly Session for bandobast duties are entitled for free food and public toilet facilities while on duty.

2. The Complainant Adv. Shri Aires Rodrigues has approached this Commission with a grievance that the public personnel posted for duty around Goa Assembly Complex shall not be served with lunch boxes and also shall not be provided with the toilet facilities. He claims that not serving with lunch and not providing basic facility of toilet is clear deprivation of human rights.

3. Taking cognizance of the complaint filed by the Complainants, this Commission issued notices to 1) the Director General of Police, Panaji-Goa, 2) State of Goa through its Chief Secretary, Secretariat, Porvorim and 3) the Home Secretary, Secretariat, Porvorim-Goa. In reply to the notices, the Respondents stated that the police personnel were provided necessary food packets throughout the Assembly Session. As far as toilet facility is concerned, it is stated that the police staff deployed at Assembly Complex with effect from 27-07-2015

to 14-08-2015 during the Xth Assembly Session have utilized the public utility services which are available in the Legislative Assembly/Secretariat in the Assembly Complex, Porvorim. The staff deployed at far away places like Mandovi Bridge on Panaji side have utilized the nearby public toilets at the KTC Bus Stand, Panaji.

4. We have heard the Complainant, learned Advocate Shri G. D. Kirtani for the Respondent No. 1 and the learned Advocate Shri V. Sardessai for Respondent No. 3. We have also gone through the records of this case.

5. It is not doubt true that food packets were provided to the police personnel on duty during the Legislative Assembly Session from 27-07-2015 to 14-08-2015. However, the Respondents have not made any commitment to provide lunch packets to the police personnel posted for bandobast duty during Assembly Session in future. We hope and trust that the Respondents shall continue the practice of providing lunch packets to the police personnel posted for duties during Assembly Sessions in future meticulously.

6. As far as the toilet facility is concerned, we are convinced that the present arrangements as indicated above are not at all sufficient to meet the basic requirement of toilet facilities. The police personnel on duty cannot be expected to use the toilet facilities which are not close to the place of duty as the police personnel on duty are required to be present at the place of duty. We feel that adequate number of mobile toilets should be provided at appropriate places to meet the said basic requirement of toilet facility.

7. It shall not be out of place to mention here that the police personnel are human beings and are entitled to be treated as such. In absence of the provision for providing meals and drinking water to the police personnel while on duty for long hours during Assembly Session and not providing basic toilet facilities to them is a clear infringement of Article 21 of the Constitution of India and also would amount to violation of their basic human rights.

In view of the above, we make the following recommendations.

- i) The Police Personnel posted for bandobast duty during Legislative Assembly Sessions shall be provided meals/food packets in future.

- ii) Adequate number of mobile toilets should be made available to them in future wherever regular toilet facilities are not available.
